
STONE KART

Natural Stone.
Reliable Supply.

Built on Natural Strength

Since 2012, StoneKart has supplied quality natural stones across India. With our own production facility and strong sourcing network, we deliver paving and flooring solutions in varied colours, finishes and sizes with dependable quality, competitive value and consistent supply.

Better Control. Better Supply.

StoneKart manages every important stage of the supply process through its own production facility, dedicated workforce, quality-control team and transportation vehicles.

1

OWN PRODUCTION FACILITY

Full control over processing and finishing.

2

DEDICATED WORKFORCE

Skilled teams manage cutting, finishing, and dispatch.

4

QUALITY CHECKING

Strict inspection of colour, finish, and size.

5

OWN TRANSPORTATION SUPPORT

Better control over dispatch and delivery.

BENEFITS FOR RETAILERS
